HECHO CON AMOR! PEPINO TWIST!

Hecho Con Amor (Made with Love), is not just a phrase, but a gesture of appreciation towards our global fans who have done so much to support Twist E-Liquids. When we made Pepino Twist, we wanted to celebrate Hispanic and Latin cultures. We want those fans to know that Twist stands by them and supports them with the same amount of loyalty and passion that they have shown us.

Therefore Pepino Twist will be a flavor sold exclusively within Latin America. It will launch in Peru, then in Mexico, and beyond. This new flavor is a perfect balance and blend of flavors that is known and beloved throughout the region. The light and cool taste of muddled cucumbers are paired with the tart flavor of lime juice; and it is topped off with an icy Twist.
